CEMETERY SERVICES

BURIAL FEES

An additional burial fee of $200 is charged over and above the Interment Rights fee. It is payable to the Salem Church Cemetery Association at the time of burial. This is to cover the supervision of any work done at the cemetery related to the burial. A Cemetery Committee member is required to be present at all times during this process.

Cremation urn: If the interment is taking place for cremation burial, this fee also includes the actual opening and closing of the grave.

Casket: If the interment is taking place for a casket, the family/funeral home pays the excavation company approved by the Cemetery Committee to open and close the grave. The excavation company consults with the Cemetery Burial Coordinator regarding the time the work is to be completed and the location of the grave. The Coordinator ensures the opening and closing of the grave is done according to the requirements set out in the Policy.

URNS, KEEPSAKE URNS & URN VAULTS

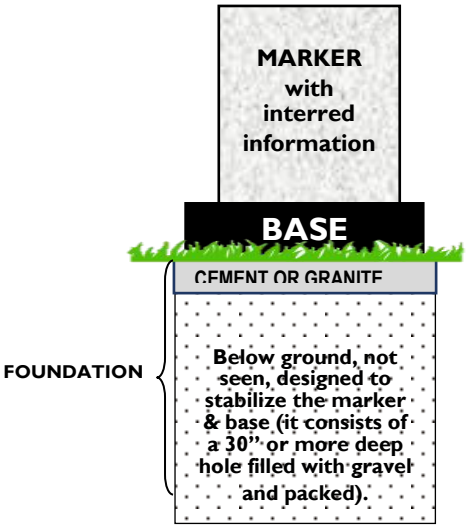
You are not required to purchase an urn, keepsake urn or an urn vault. When a body is cremated or hydrolyzed, the remaining cremated / hydrolyzed remains will be presented in a box that is suitable for interment or scattering as is.

MONUMENTS AND MARKERS

Foundation/Marker installation/location: The following installation requirements are for all types of markers (flat, pillow, or upright/standing).

Markers should be installed in the spring and or summer, in order that they remain stable.

Except in those rows where a foundation has been pre-installed by the Cemetery Committee (north cemetery – rows CPI, CPJ, CPK,L, M), a hole consistent with the size of the base and marker and at least 30” deep shall be dug and packed with gravel or stone dust to ground level to provide a stable foundation. In those rows where the foundation has been pre-installed this step is not required.
The top surface of the foundation shall be leveled by the use of stone dust and a base having a thickness of at least 4” and made of poured or preformed cement;
granite or marble shall be installed and leveled.
The marker shall be installed so that it is centered on the lot in line with other markers in the row and markers in adjoining rows shall not be placed back-to-back directly against each other and shall be located at the head of the lot in the top 2 feet thereof.
The marker shall be glued to the base using the appropriate epoxy, glue or roll putty at the owner’s discretion.
The gaps at the edges of the base should be filled with surplus dirt to level the surface and any surplus dirt removed.



The installation will be supervised by a member of the Cemetery Committee.

Care and Maintenance Fund Contribution:

As required under the *Funeral, Burial and Cremation Services Act,* 2002, the following amounts must be paid to the cemetery operator before a marker is installed. After each marker installation, the amount will be contributed to an irrevocable trust fund known as the Care and Maintenance Fund. Interest from the fund will be used to cover expenses for the care and maintenance of markers and monuments in perpetuity.

For flat markers measuring less than 1,116.13cm^2 / 173in^2..... $0

For flat markers measuring 1,116.13cm^2 / 173in^2 or larger.....$100

For upright monuments 1.22m / 4ft or less in height and 1.22m / 4ft or less in length, including base $200

For upright monuments more than 1.22m / 4ft in height and 1.22m / 4ft, including base.....$400
